

Wichita Area Chevelle Owners
7550 N. Greenwich
Wichita, KS 67226-8253

Thank you for your interest in joining the Wichita Area Chevelle Owners. We are proud to be the first car club in Kansas dedicated to 1964-1987 Malibus, Chevelles and El Caminos.

We are trying to keep an active club through member involvement and activities for the whole family. We meet the first Wednesday of every month at Joe Self Chevrolet. During the summer months we try to have Saturday night cruises and picnics. We will participate in area swap meets, car shows and we have even hosted the Midwest Chevelle Regionals. Suggestions for other club activities are always welcome.

Membership in W.A.C.O. has many benefits besides the fellowship of being involved with others that have an interest in these automobiles. You will meet someone with the knowledge who has "already done it" and will be willing to share what they have learned with you. With your paid dues you will receive the W.A.C.O. newsletter and a membership card to show all your friends.

This is your car club and it will continue to grow with your support. Any suggestions or comments, either positive or negative, are encouraged and appreciated.
