

**01/09/26**

**WACO Family and Friends;**

At our meeting on Wednesday we talked about coordinating our MCR2026 contact efforts through Richard Bartel so I wanted to give everyone his contact information. Remember Richard is still working during the day so he will not be able to respond immediately. [Fast1967ss@gmail.com](mailto:Fast1967ss@gmail.com) or 316-631-5462. Please let him know of businesses you plan on contacting or on the ones that you would like him to contact.

We all need to thank Richie Profaizer owner of Automotive Diagnostics Center for his generous donation to WACO for the MCR2026 event that we are hosting this year. If you need something done on one of your vehicles you can contact Richie at 316-686-4848. His location is 4600 E Central 67208.

Make sure that you read the minutes from our last meeting. There is a lot of good information there including a little information on the next ladies game night.

We had a good meeting at Mike's on Wednesday. The sign in sheet showed 30 people I believe.

Here are the January birthdays that I have collected:

Jan. 19 Tammy S.

Jan. 20 R. Bartel

Wish them a Happy Birthday on their special day!

Becky Stukey

It sounds like the Ladies of WACO had a very good time playing Canasta the other day. They did not get around to playing Mahjong but will try to next time.

It would be helpful if you would send me items to mention in the WACO Update like David Hime does. I don't hear about everything that is going on unless someone reminds me about it or tells me about it.

You all should go to our website and look at the articles that are under the "Club News" tab and then under the "Member News" tab. There are a couple of very interesting articles there.

Most of you probably know that Josh Blick the owner of the Automobilia Car Show died in a roll over car accident the other day. He did a lot in the Wichita area to support the classic car hobby. I believe that Automobilia will continue without him, but he was a big asset to the show. For more information you can scan your browser for Josh Blick Automobilia.

We all need to go to **ParkWichita.com** to see what the new parking rules are in downtown Wichita. The new rules look pretty crappy to me, but maybe I don't understand them all. Check the rules out so we can talk about them at the January 7<sup>th</sup> meeting.

So far I have heard that Bill Washburn and Richie Profaizer are putting their cars in this show, who else is?

Who is putting their vehicle in "Cars for Charity this January 17<sup>th</sup> and 18<sup>th</sup>? It will be here before we know it.

### **Cars for Charity at Century II**

The **Cars for Charities Rod & Custom Car Show** at Century II Performing Arts & Convention Center is a cherished event in Wichita, Kansas, that has been running since 1957. It is not only a classic car show but also a family-friendly event where proceeds from the event go directly to local charities, helping improve the quality of life for those with intellectual disabilities. The show has raised over \$100,000 on average for these organizations each year. The event is scheduled for January 17-18, 2026, and offers discounted tickets at Wichita area QuikTrips. The Kid's Zone features bounce houses, face painting, and model car make and take, making it a fun-filled experience for families.

### **Will we want to renew the spaces for 2027 or wait and see?**

Ron Fleming let me know that there might be a swap meet at MAD (Mid America Dragway) in 2026. WACO might want to be involved with this one, it will be up to all of you. Ron said that he would keep me updated, so I will keep you all updated.

You can make a difference.

JOY is a CHOICE

I am – You are, “We the People”.

He who dies with the most

Toys, wins!

Today is the most important day of your life.

Think Before You Speak.

Think more, talk less.

Think twice, say nothing.

Think what you like, but don't say it.

There should be a filter between the brain and mouth.

Let it go!

In God we trust.

Say it, forget it.

Write it, regret it.
