**WACO Family and Friends;**

Once again Ron Fleming came up with a very good video to watch. It is “American Muscle Car” season 1 episode 9 which is on Chevelle’s. It includes a video of the original Z-16 that Dan Blocker, Hoss Cartwright, owned. There are a bunch of videos in this series on a lot of different cars. You can find it several different ways. I watched it on TUBI tv with a bunch of ads. You might be able to follow this link [American Muscle Car - Episode List | TVmaze](#) and get there, maybe not. 😊 It is also

I hope all of you can find the videos and enjoy seeing them.

Our next meeting will be on Wednesday February 4<sup>th</sup>, 6:00 pm at Mike & Cindy’s place.

I really appreciate it when people send me interesting information on car related items so I can share them with WACO members.

We have received our first registration for MCR2026 from people in Missouri that belong to MACC.

We all need to thank Richie Profaizer owner of **Automotive Diagnostics Center** for his generous donation to WACO for the MCR2026 event that we are hosting this year. If you need something done on one of your vehicles you can contact Richie at 316-686-4848. His location is 4600 E Central 67208.

Don’t forget, **We**, are hosting the MCR 2026 here in Wichita next year. More information soon.

At our meeting on Wednesday we talked about coordinating our MCR2026 contact efforts through Richard Bartel so I wanted to give everyone his contact information. Remember Richard is still working during the day so he will not be able to respond immediately. [Fast1967ss@gmail.com](mailto:Fast1967ss@gmail.com) or 316-631-5462. Please let him know of businesses you plan on contacting or on the ones that you would like him to contact.

Make sure that you read the minutes from our last meeting. There is a lot of good information there including a little information on the next ladies game night.

You all should go to our website and look at the articles that are under the “Club News” tab and then under the “Member News” tab. There are a couple of very interesting articles there.

We all need to go to **ParkWichita.com** to see what the new parking rules are in downtown Wichita. The new rules look pretty crappy to me, but maybe I don't understand them all. Check the rules out so we can talk about them at the January 7<sup>th</sup> meeting.

Are you ready for the **Wichita Swap Meet** – KS Sunflower Swap Meet for Charity, March 6<sup>th</sup> & 7<sup>th</sup> 2026, Century II, downtown Wichita, Booths C8-4,5,6,7,8, Move in Thursday March 5<sup>th</sup>. For more information contact Jane Linn 316-491-9969, [rjlinn72@gmail.com](mailto:rjlinn72@gmail.com)

### **Will we want to renew the spaces for 2027 or wait and see?**

Ron Fleming let me know that there might be a swap meet at MAD (Mid America Dragway) in 2026. WACO might want to be involved with this one, it will be up to all of you. Ron said that he would keep me updated, so I will keep you all updated.

Is there going to be a swap meet at KID in 2026?

Ron Fleming contacted me about Cliff Gottlob the original owner of a 1965 Chevelle Z-16 that he still owns today. He is 86 years old, still owns the car. The first video link below is an interview with Cliff and they talk all about the car and how he got it. The car really is a barn find as you will see in the videos.

This is some very interesting information, and I hope that all of you enjoy seeing everything if the links work. 😊

If for some reason they do not work, then scan YouTube for an interview with Cliff Gottlob and you will probably find it.

Maybe Dale can put the proper link on our website.

This is my friend Robert's Chevelle. He said he would bring it to the regionals this year ha!

Not much Chevelle left in it but a pretty sweet racecar nonetheless.

You can make a difference.

JOY is a CHOICE

I am – You are, “We the People”.

He who dies with the most

Toys, wins!

Today is the most important day of your life.

Think Before You Speak.

Think more, talk less.

Think twice, say nothing.

Think what you like, but don't say it.

There should be a filter between the brain and mouth.

Let it go!

In God we trust.

Say it, forget it.

Write it, regret it.
