WACO Family and Friends;

WOW, February is already over. Get ready for a busy March. March is when most of our members pay their yearly dues. If you haven't paid yours then please do it as soon as possible.

WACO has several things coming up this month, **WACO Meeting Wednesday March 4th 6:00 pm at Mike & Cindy's** place, **Kansas Sunflower Swap Meet** (see below) with Set up on Thursday the 5th and the meet on the 6th & 7th, **WACO Chili Cookoff** on Saturday the 21st plus any meetings or get togethers that might pop up.

Don't forget about the Lake Afton Show or the 100th Year Anniversary Route 66 Cruise that are both coming up in June right after the MCR2026 Event.

Do not forget to bring your Show-N-Tell item to the next meeting.

I have heard through a fairly reliable source that this will be the last year for the swap meet at Century II. What have you heard? There are other swap meets popping up, do we want to be a part of them?

As a reminder, we handed out a bunch of fliers and cards for the MCR 2026 Regionals to everyone who attended our last meeting. Please do not forget to carry them with you so that you can hand them out and help spread the word about MCR 2026.

When you attend the next swap meet at Century II, please bring the fliers and cards with you so we will have plenty to hand out.

I can't believe that February is almost over and March is here so soon! Nevertheless, here are the March birthdays that I have collected:

March 11 Connie H.

March 16 Cherie W.

March 29 Kevin C.

Make sure and wish them a Happy Birthday on their special day!

Good news, Ron Fleming plans on doing a cruise in to his place in Clearwater on April 4th. It will be on the same day as that Hot Rod (NSRA) club does their show just East of Clearwater, many of you have been to that show before. I will send out more information as I receive it. **The Pizza Hut in Clearwater has closed down** so think about we can do instead., eat hot dogs with the NSRA or bring something to Ron's or do without.

We have our 16th Annual Chili Cookoff coming up March 21st from 5:00 until 9:00.

I saw the other day that Elon Musk is going to set up a restaurant on the moon. Great food - but no atmosphere. ;-) 😊

Why did the cowboy get a wiener dog? Because he wanted to get a long, little doggy'

Did you know that orcas are technically porpoises? They just do a *killer* whale impression.

Don't forget, **We**, are hosting the **MCR 2026** here in Wichita next year. More information soon.

MCR2026: We have had a couple of really good meetings recently about things that need done for the Regionals this year. It takes a lot of planning to pull off a great show. We are still needing volunteers so if you want to volunteer for something please contact Kevin Clark our illustrious president and he will put you on his list or put you in touch with the correct person. It takes all of us to put on a great show.

Will we want to renew the spaces for 2027 or wait, and see?

For more parking information use Parking App: Go to app store, look for the park mobile app, download and register information, use to pay for parking, recommended before arriving at the site.

We all need to go to **ParkWichita.com** to see what the new parking rules are in downtown Wichita. The new rules look pretty crappy to me, but maybe I don't understand them all. Check the rules out so we can talk about them at the January 7th meeting.

If you can follow / click on or copy and paste these links below you will find some very interesting stuff going on for our Nations 250th Anniversary / Birthday.

You can make a difference.

JOY is a CHOICE

I am – You are, “We the People”.

He who dies with the most

Toys, wins!

Today is the most important day of your life.

Think Before You Speak.

Think more, talk less.

Think twice, say nothing.

Think what you like, but don't say it.

There should be a filter between the brain and mouth.

Let it go!

In God we trust.

Say it, forget it.

Write it, regret it.
