WACO Family and Friends;

It was a good time at the Wichita Burner open house and car show. I know that Troy and WB really appreciated everyone coming out to this event. We had approximately 22 Chevilles / El Caminos and at least one big Impala convertible on display. It was a good time visiting with everyone.

Many of you might remember Bill & Linda Schweers. As you know Bill passed away 10 or more years ago and left Linda with a lot of stuff to get rid of. She is finally getting around to doing that. She has a small shed with a bunch of 69 Chevelle stuff in it including a El Camino tailgate. She also has a hood, deck lid and doors for a Chevelle. The doors might be for an El Camino, I don't remember for sure. There is a lot of other miscellaneous stuff in the shed that she wants gone. She also has another big shed / building full of tools, saws and a bunch of other stuff. Everything in the house is also for sale, and there is a bunch of stuff crammed into the house. If you are looking for a bargain on stuff then go to her place for the big sale on Saturday the 19th starting at 9:00 am and buy something, it would really help her out. Her address is 1408 N Argonia Rd, Suppesville (Milton?) Kansas. It is about 15 miles West of Wichita on K-42.

Let your friends and family know about these events and invite them to attend.
