**WACO Family and Friends.**

Our next **WACO monthly meeting** will be on this Wednesday 10/07/26 at Mike & Cindy's place, 11400 E Douglas, at 6:00 pm.

I am sure that we all have many things to talk about including the upcoming Hutchinson swap meet this weekend.

**Do not forget to bring your Show-N-Tell items.**

The Inland Truck Open House was fun in spite of the rain. Not to many classic cars showed up but the food was good and the time visiting with friends was a great time.

There is going to be a **swap meet** again **in Hutchinson** on October 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup>. It will be held on the Hutchinson Fairgrounds and all booth spaces will be outside. We have spots reserved at this swap meet. See attached fliers for more information.

The set up time for this swap meet is Friday morning and the meet is Friday afternoon, Saturday and Sunday. We do not have to be there for all of this time, we can pack up and leave at the end of any of the days. We do not have assigned spaces yet but we will be adjacent to the paved drive.

Something that I think we need to work on as a club is informing other members on which car shows you plan on attending at any given time. If we did a better job of informing each other then we might have better attendance at some of the shows. Anyway, for myself I like attending shows that I know that some of my friends from WACO are going to attend.

It would also be nice if we had some feedback from people on the shows that they did attend.

Mike, Bob, Kevin, Larry and I went to the Affordable Auto show in Peabody on Saturday. The weather was great, the free food was good and they had over 300 cars registered. It was a nice cruise going there and was a very good day.

I understand that Kevin and Bob were going to go to the Whitewater show and then the Hutchinson show after Peabody so that they could have a nice cruise on a beautiful day. I understand that David Hime went to the Whitewater show and that Rick Miller participated in the parade as a flag bearer. Good times were had by all I am sure.

The Pontiac Uprising was a good time getting to watch all of the cars going down the racetrack at MAD again. I has be a while since I had been there. Good times were

had by all and we had a couple of trophy winners from WACO. I hope they remember to bring their trophies to the next meeting so everyone can see how nice they are.

Here are the October birthdays that I have collected. Wish them a Happy Birthday on their special day!

**I really appreciate it when people send me interesting information on car related items so I can share them with WACO members.**

**Any jokes that you want to send me are appreciated also! Even bad jokes are good. 😊**

I have a funny story to share with you that I read in the Rural Messenger today. It is supposed to be a true story but the lady that wrote about the story said she has had it a long time and doesn't know who the original author is after all this time. But she said when she is feeling down or needs a good laugh then she rereads the story. Couldn't resist sharing it with you!

*The pastor had a kitten that climbed up a spindly tree in his backyard and then was afraid to come down. The pastor coaxed and offered warm milk to the kitty, but the cat would not venture down. The tree was not sturdy enough to climb. So, the pastor decided that if he tied a rope from the tree to his car and slowly drove forward, then he might bend the tree down enough to reach up and get the kitten. He did all this, checking his progress frequently. He figured if he went just a little bit further, the tree would be sufficiently bent for him to reach the kitten.*

*But as the car eased just a little bit further, the rope broke; the tree went "boing!" and the kitten instantly sailed through the air- out of sight!*

*The pastor felt terrible and walked all over the neighborhood, asking people if they'd seen a little kitten. No, nobody had seen a stray kitten. So, the pastor prayed, "Lord, I just commit this kitten to your keeping" and went on about his business.*

*A few days later while he was at the grocery store, he met one of his church members. He was amazed to notice that the lady had cat food in her shopping cart, because the lady was a cat hater, and everyone knew it. So, the pastor asked her, "Why are you buying cat food when you hate cats so much?"*

*She replied, "You won't believe this," and told him how her little girl had been begging her for a cat, but she kept refusing. Then a few days before, the child had begged again, so the mom finally told the little girl, "Well, if God gives you a cat, I'll let you keep it."*

*She told the pastor, "I watched my child to out in the yard, get on her knees and ask God for a cat. And really, Pastor, you won't believe this. But I saw it with my own eyes. A kitten suddenly came flying out of the blue sky, with its paws outspread, and landed right in front of her."*

Hope you like this story!!!

Have America's best days come and gone? No, but if America is to be saved, it is YOU that must do the saving. No politician or political party will save this country. YOU are the one to whom our Creator endowed the rights of life, liberty and the pursuit of happiness and YOU must be the one

to exercise your rights, defend them and preserve them for future generations
