## WACO Family and Friends

There is some new stuff here.

First I want to mention that the rumor of a cruise to Winfield and going to the car museum there is just that, a rumor. Ron wanted to follow up on the information for us so he called the person that runs the museum. The guy said that it was just a rumor because they are in the middle of remodeling the place so it is not ready for visitors at this time.

The man suggested that if Ron would call him in the spring he would set up an open house / tour for our Chevelle club. That will be great. The place being opened up just for WACO members and their friends will be a lot of fun. I am already looking forward to the outing. Maybe we can have a cruise with food involved that usually brings out more members.

As most of you know we raised \$2,460.00 for the local veteran's charities during the MCR 2018 show. We divided that money up between three groups, VFW, Battle Buddies and the American Legion / Honor Flight. We have delivered two out of the three checks. I have attached a picture from delivering the check to Battle Buddies during Woofstock. We will post pictures on our web site also.

We would like to have some more people show up when we deliver the final check to the American Legion / Honor Flight. We will do that on Tuesday 10/09/18. I believe that their meeting is at 7:00 so we will show up a half an hour or so early to have a beer with the guys and then present them the check. I think they are at Waterman and Murdock, I will verify that with Jay. We do not have to stay for the whole meeting. We would like to have a group of people there so please let me know if you can attend. All of this should make an enjoyable evening.

Speaking of pictures on our web site, with Dale's help we have posted pictures of our cruise to Ron's place and pictures of the Rats for Autism show. Doug just sent me some more great pictures of the cruise so they should be posted shortly.

We have the votes in on the date for the **Christmas party**. 81.8% of the votes cast were for **December 15<sup>th</sup>**. One of the things that we did talk about at the monthly meeting was the WACO Christmas Party. We are going to see if we can have it at the House of Schwan again. Richard volunteered to smoke a turkey and Doug volunteered to cook a ham. If anyone else wants to volunteer to cook a main meet dish, please let me know. We will have it pot luck on the rest of the dishes like we usually do. I will contact the HOS and set it up.

Another thing that we talked about is our next WACO luncheon. It looks like we are going to try and have it on Thursday October 18<sup>th</sup>. Please send me your suggestions on where to have it. One suggestion that was give is "The Artichoke". Do they have enough seating for us? Another suggestion is Walt's on East Central. Please send me your suggestions.

**It is time to get ready for the Fall swap meet in Hutchinson.** October 26<sup>th</sup> & 27<sup>th</sup>, 2018. Vendor set up Thursday October 25<sup>th</sup> from noon until 9:00 pm

Speaking of the swap meet, we have a bunch of Chevelle parts that were donated to WACO by John Bedenbender from Texas that we are going to sell to raise money for our club. Come to the swap meet and check out all of the parts that will be for sale. Bring some of your own parts to sell. It is a good time and a chance to see your friends if nothing else.

With the cooler weather coming on strong many car things in the Wichita area will slow down. There are still plenty of things to do just take a look at the list below and check out your Cruzin 18 Calendar of Events.

While we still have time we should plan a cruise to Richards "Little DQ". Please give me your suggestions on a date and I will set something up. I am sure that WACO can scrape up some change for the ice cream.

I had a man from Oklahoma call me the other day looking for someone good to install an LS engine in his 1967 Chevelle SS. I know that several of you have LS engines in your Chevelle's or you know someone who has had it done. So if you know a place or someone he could call to have it done either let him know or let me know and I will tell him. He came to the Regionals and liked what he saw.
